[11/12/21, 11:28:55 AM] Bill: We all see the big picture but, if you clearly would've told everyone initially that investing into your platform would require a specific lock in period, we wouldn't have these problems, everyone would be patient.

[11/12/21, 11:29:33 AM] Brody Crawford: Everything got misconstrued the investment was into cheetah and they get the \$ back at the launch I'm trying my hardest fuckint possible to get u 5k today and btc just wiped my fucking personal trading

[11/12/21, 11:29:39 AM] Brody Crawford: I'm bout to throw my phone at the wall

[11/12/21, 11:31:52 AM] Bill: You told this to everyone 2 days ago, not a month ago....they would have still invested, being real with everyone is everything, all a man has is his word

[11/12/21, 11:34:23 AM] Bill: Don't do that, no one is against you, to be truthful we all support you....

[11/12/21, 11:35:34 AM] Brody Crawford: image removed

[11/12/21, 11:37:42 AM] Bill: Let's just open up the joint business banking account ASAP, I don't want you to have these freaking headaches

[11/12/21, 1:31:08 PM] Brody Crawford: Should of just been cool with 50

[11/12/21, 1:34:06 PM] Bill: It's ok bro, just find a solution quick, hook everyone up with something temporarily until the launch, the backlash at this point, I don't see it stopping. We support you but people are furious with you....show them one time some results and no excuse...and they will remain calm

[11/13/21, 7:22:17 AM] Brody Crawford: I feel so bad

[11/13/21, 7:22:22 AM] Brody Crawford: I lost yesterday

[11/13/21, 7:22:25 AM] Brody Crawford: It killed me bro

[11/13/21, 9:10:24 AM] Bill: "Everything I ever took a loss, I knew I'd win again, Hustlaz always find a way"

[11/13/21, 9:12:18 AM] Bill: I found that nothing in life is worthwhile unless you take risks. There is no passion to be found playing small and settling for a life that's less than the one that you're capable of living. I never understood the concept of having something to fall back on. If I'm going to fall. I don't wanna fall back on anything, except my faith. I want to fall forward. I figure at least this way, I'll see what I'm going to hit 🎯 We have the talent to succeed, but do we have the guts to fail? If you don't fail you ain't even trying 😞

To get something you never had, You have to do something you never did.

[11/13/21, 9:23:30 AM] Brody Crawford: Duuuuudeeee

[11/13/21, 9:23:34 AM] Brody Crawford: That was amazing to read

[11/13/21, 9:26:52 AM] Bill: That was yesterday, and today is a new day....

[11/13/21, 9:27:03 AM] Brody Crawford: That's the risks in leverage trading u win big fast OR u lose big fast

[11/13/21, 9:27:04 AM] Brody Crawford: And that's why mostly I have merlin do it for me

[11/13/21, 9:28:05 AM] Brody Crawford: It's like the first 100k holders in tesla

[11/13/21, 9:28:30 AM] Bill: Are you dropping a social media campaign to get 100K users?

[11/13/21, 9:29:14 AM] Bill: What's your plan?
